Dear Tom:

Habitat for Humanity Central Arizona would like to thank you and Bulletproof Securities for providing security for our Blueprints & Bluejeans event on April 3rd.

Your operators (personnel) were prompt, prepared and extremely professional. They were able to give the Habitat staff "peace of mind" which allowed us to focus on our guests and the evening's festivities.

We would HIGHLY recommend BULLETPROOF SECURITIES and will utilize you for future security needs.

Sincerely,

Roger Schwierjohn
